## **Ca' Rome' 2014 Barolo Rapèt**

**Serralunga D'alba, Piedmont**

**Red wine from Italy**

**Drinking window: 2020 - 2030**

The 2014 Barolo Rapèt is a powerful, concentrated wine, with a level of richness that is unusual for the year. Plum, black cherry, spice, mint and new leather all fill out the wine's ample frame. Today, the Rapèt leans a touch toward the more monolithic side of things, but it has a lot of offer, especially for readers who can give it a few years in bottle.

**Antonio Galloni. Tasting date: November 2017**
