## CA' ROMÉ DI ROMANO MARENCO BARBARESCO CHIARAMANTI 2016

If you thought Barbaresco was only floral and graceful, think again — this delivers a plethora of intense fruit. Ripe boysenberries, cherry compote, caramelized oranges and black raspberries are all thrown into the mix in flashy style. The tannins are cast in an ultra-chewy role, taming the immense fruit power this boasts. The body is full, too, but the flavors are all fresh and vibrant, aided by forthright and mouthwatering acidity. Drink from 2023.
