

CA' ROME' DI ROMANO MARENGO BARBARESCO MARIA DI BRÜN 2015

This is a very ripe expression of Barbaresco, packed with leather, dried fruit, tea leaves and earth. A sense of balance to the unyielding acidity pervades the full-bodied palate, though, and provides a welcome contrast to the rich, fully stacked layers of dried cherries and cedar. Nevertheless, this remains a chewy, flamboyant style that will need time. Drink from 2024.
