

TERROIRSENSE
WINE REVIEW

2012

Very pretty wine. Bright red, then just as bright on the nose and on the palate too, with very clean, fresh and varietally accurate nuances on the long crisp finish. Nice balance here and plenty of stuffing. The tannins are quite silky, a feat of some bravura, given the tricky heat of the 2012 vintage. Well done. Drinking window: now-2038
