

CA' ROME' DI ROMANO MARENCO BARBARESCO CHIARAMANTI 2018

A tight but complex nose of mixed berries with sweet, creamy spice and turkish delight. Some herbs in the mix, too, even a hint of wild onion. Medium-to full-bodied with a dense, silky palate that's full of flavor. Balanced and even, with a lightly firm, spice-coated tannin frame. The finish is a little firm for now, but this will be super long and luxuriant in a few years' time, when everything has come together. Super. Delicious to taste now, but drink from 2024.
