

CA' ROME' DI ROMANO MARENCO BARBARESCO MARIA DI BRÜN 2017

Rich yet compact aromas and flavors of red and black berries and cherries, together with notes of wet earth, forest floor and even a hint of menthol. Full-bodied, dense and silky with lots of refined tannin that is starting to meld nicely into the rich fruit. Big finish that's already long, but will only gain with time. Drink from 2024.
